

Pupil Premium Overview 2015-16

Pupil Premium is allocated to schools for children of statutory school age from low-income families who are known to be eligible for free school meals, to children who have been looked after in the care of the Local Authority for more than six months and to children whose parents are currently serving in the armed forces.

This includes all children who have received free school meals at any time in the last six years, known as EVER 6.
