

During our summer term topics, Fairy tales and Superheroes, we will be learning...

Once Upon a Time

Where can I go for extra research and support?

- Visit your local library and see what you discover
- Use Education City to practise your phonics and maths
- Use 'phonicsplay' website to practise your phonics
- Use 'topmarks' website to practise your maths, such as; counting, number recognition, height and weight, 2D and 3D shapes

How can I extend my learning further at home?

- Talk to your family and friends about what we've been learning in class.
- Complete Homework Bingo tasks related to our topic.
- Read every day with your child.
- Look at and read your favourite fairy tale.
- Encourage your child to use their superpowers to help at home

To design our own fairy tale creature

To retell familiar stories and discuss our favourite parts of the story

To have a go at acting our own story

To solve simple adding and taking away problems

To make our own fairy tale scene using different media

To design and make our own fairy tale character

To form our letters correctly, use finger spaces and write on the line
