

# Evidencing the use of the PE and Sport Premium funding: Action plan and Impact Review

## The DfE Vision for the Primary PE and Sport Premium

**ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to ensure impact against the following Objective and Indicators:

**To achieve self-sustaining improvement in the quality of PE and sport in primary schools.**

We would expect indicators of such improvement to include:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

It is important to emphasise that the focus of spending must be sustainable and leave a lasting legacy beyond the funding allocation.

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium and the impact it has had on pupils PE and sport participation and attainment is available on the school website by **31st July 2019**. Schools also have a responsibility to publish on their website the % of children who achieve the expectation for swimming by the end of Year 6.

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. You should not however use your funding to:

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of the national curriculum – including those specified for swimming
- fund capital expenditure

## Meeting National Curriculum Requirements for Swimming and Water Safety

The pupil outcomes of the statements below <u>must</u> be reported on the school website for the current Year 6 cohort	
What percentage of Year 6 pupils can swim competently, confidently and proficiently over a distance of at <b>least 25 metres</b> ?	%
What percentage of Year 6 pupils can use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	%
What percentage of Year 6 pupils can perform safe self-rescue in different water-based situations?	%
Schools can choose to use their Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/NO
