Learning for Life

Jonathan Smith, Headteacher

25th March 2019

Dear Parents/Carers,

Because the children loved learning the choreography for Young Voices, we have arranged for an instructor from Urban Strides to visit the school on Tuesday 4th June 2019.

The children will receive a two hour group instruction, plus a chance to show off what they learn during their training. The cost for this will be £9.50 per child, payable via Tucasi by Friday 26th April.

The children really enjoyed following Urban Strides during their tour via the Tour Diaries on YouTube, so we think this is an exciting opportunity for them.

Yours Sincerely,

Mrs Eely
